

Our proud Alumni

MSRIT has produced many illustrious alumni, whose contributions at national and international levels have been significant. Alumni of MSRIT in particular have excelled and acquired positions of eminence in every field imaginable-from engineering to finance to management to even arts. Renowned scientists, successful entrepreneurs and managers and leaders of society, our alumni have made us proud time and again.

Significantly, they have also acted as instruments of change wherever they have been and apart from sincerity, hard work, brilliance, they have demonstrated social responsibility and now, increasingly, a responsibility towards their nation and their alma mater. Our alumni are of the highest calibre and repute. We always recognize our alumni who have distinguished themselves through their work and have done the Institute proud. Our alumni students have secured challenging and highly paid positions in top ranking organizations in India and abroad. Their abilities are well attested by the excellent reports from the recruiting companies. Alumni are actively engaged with the institute and with the students, motivating them to perform and excel at whatever they do. Totally, our alumni have proved to be a great asset to all the organizations they have joined.
